Kathleen Donnelly. 303 Linden Ave. Wilmette, IL. 60091. 847-721-6059
Sparkill since 1967

BA, Maryville University, St. Louis
MA, Fairfield University, CT. Education Administration

As of July 1, I am a happily retired school principal of 39 years (three different school: 2 in St. Louis and 1 in the Chicago area).

I was part of the initial group who endorsed the founding of the Federation and through the evolution to the Dominican Sisters Conference. I have been on the last four planning committees for the Dominican Sisters Convocations -- held in either Chicago or at the Westin Hotel in Wheeling. I have been on a number of Congregational committees in preparation for Chapters. At school we encouraged an atmosphere of generosity of time, talent and treasure when it came to understanding/exposing students to issues of inequality. Action speaks louder than words.

I see the DSC as an organization where sisters are listened to, where ideas and creativity can spring up and evolve around any number of issues: climate change, prayer life, elder care, human concerns.

Our togetherness speaks volumes when it comes to collaboration, encouragement, and coaching one another. Together our voice is stronger, clearer.

My skill set for the DSC Includes listening, problem solving, organizing, and team building.

Thank you.
