

## Margaret Mary Kennedy ,OP

I am honored to be nominated as a member of the Executive Committee of the Dominican Sisters Conference. I believe that we as Dominican women need to be united in one voice as we speak up against the injustices in our country and in our world. My history as a member of the Dominican Sisters Conference began when I first became a member of the Federation in the 1990s. Later as a member of the Federation Coordinating Committee I was able to help organize a Federation Convocation and experience firsthand the power that we have as Dominican Women Preachers.

I hope to be able to use these gifts to help further the works of the Dominican Sisters Conference and experience again the continued efforts of us all as we become a united force for the Dominican Family. We all understand the necessity of using this voice to further peace and justice efforts throughout the world. If I am elected I look forward to supporting Pat Farrell in her role as the director and further the work of the Conference in anyway that I can.

Please see my resume for my background and skills.

Thank you,  
Margaret Mary Kennedy, OP  
Dominican Sister of Peace
