

Companions in Prayer

It has been said that St. Dominic sent out his followers two by two; one to preach and another to pray that the preaching moved the hearts of the listeners, drawing them closer to Christ. As we come together as Dominican sisters seeking the Holy Spirit's guidance to live God's mission now and into the future, let us intentionally renew this tradition, companionship one another in this journey of challenge and grace. We are asking that all sisters and associates in each congregation, commit to a time of daily prayer asking for the grace to be open to the Spirit as we seek deeper collaboration among us to become authentic Preachers in Times Such as These! Join us in prayer as the leaders gather together at 2024 DSC Elected Leaders Meeting in Columbus, Ohio, October 8-11. May the Spirit guide us and be with us all.

" If we are silent in times such as these, relief and deliverance for your people will arise from another source, but you, my sister, and the Dominican charism may not make it through the chaos. Could it be? Perhaps we (you) have become Dominican Preachers for times such as these." *Esther 4:14.*
